

1. Do the facilities share common workforces, plant managers, corporate executive officers, or board of executives? Is Brent Baker the CEO of both Bridgeport Bio Diesel, LLC and Bridgeport Biodiesel 2, LLC?

***The two facilities do not share common workforces, plant managers, corporate executive officers or board members. Brent Baker is the CEO of Bridgeport Biodiesel 2 LLC and Operations Director for Bridgeport Bio Diesel LLC. The manager and primary decision maker of Bridgeport Bio Diesel is LARD-NABF, LLC.***

2. Do the facilities share equipment, other property, or pollution control equipment?

***No.***

What does the contract specify with regard to pollution control responsibilities of the contractee?

***Need further clarification concerning this question.***

Can the managing entity of one facility make decisions that affect pollution control at the other facility?

***No.***

3. Do the facilities share common payroll activities, employee benefits, health plans, retirement funds, insurance coverage, or other administrative functions?

***No to each of these questions.***

4. Do the facilities share intermediates, products, byproducts, or other materials?

***No.***

What are the contractual arrangements for providing goods and services?

***Bridgeport Biodiesel 2 LLC and Bridgeport Bio Diesel LLC do not have contractual arrangements with one another.***

5. Who accepts the responsibility for compliance with air quality control requirements? What about for violations of the requirements?

***For Bridgeport Bio Diesel LLC it would be the Manager, LARD-NABF LLC. For Bridgeport Biodiesel 2 LLC it would be the majority member, The Sustainable Biodiesel Company, LLC.***

6. What is the dependency of one facility on the other?

***None.***

If one shuts down, what are the limitations on the other to pursue outside business interests?

***None.***

7. Does one operation support the operation of the other?

***No.***

What are the financial arrangements between the two entities?

***None.***

8. What are the SIC codes for Bridgeport Bio Diesel, LLC and Bridgeport Biodiesel 2, LLC?

***To my knowledge, Biodiesel production is not specifically listed in the Sic code directory, however biodiesel production could fall under 2869 (Industrial Organic Chemicals, Not Elsewhere Classified) or 289 (Miscellaneous Chemical Products). Presumably both companies would be under the same code.***

9. We understand that Bridgeport Biodiesel 2, LLC is a joint venture between The Sustainable Biodiesel Company, LLC (90%) and LARD-NABF, LLC (10%)? Is this information correct?

***This is incorrect. LARD-NABF has no ownership or involvement in Bridgeport Biodiesel 2 LLC.***

10. Is Bridgeport Bio Diesel, LLC owned solely by The Sustainable Biodiesel Company, LLC or a joint venture? If it is a joint venture, what are the companies involved and what percent of Bridgeport Bio Diesel, LLC does each own?

***Bridgeport Bio Diesel LLC is 75% owned by LARD-NABF LLC and 25% by The Sustainable Biodiesel Company LLC.***
